

WE ARE HIRING TEACHERS

BENEFITS of TEACHING CTE

- » Empower students by sharing your knowledge and expertise.
- » Participate in National affiliations and partnerships with colleges, business and industry, as well as educational agencies like SREB and Mountain State ESC.
- » Desirable schedule of time off on weekends, holidays, and summers.
- » Receive an extensive package that includes both retirement and health insurance benefits.
- » Assist students in preparing for a successful future.

Current CTE Openings:

Aerospace Engineering

Business Administration

Health Sciences

Welding
